There will be no changes to **Official Form B 22C** this year. The Judicial Conference's Advisory Committee on Bankruptcy Rules had, in response to the Supreme Court's decision in *Hamilton v. Lanning*, 130 S.Ct. 2464 (2010), proposed a change to this form so that debtors could report changes to income that had occurred or were virtually certain to occur. This change was originally planned to go into effect this year, but it has been delayed so that it can be given further consideration.

- **CLE Opportunities**
