

Connecting to the Courtroom Wi-Fi Network

The Network Name (SSID) will be the current courtroom you are in. For example - Your hearing is scheduled to be held in Courtroom 3N; you will want to look for the Wi-Fi Network named **3N**.

The Courtroom Wi-Fi Networks uses WPA2 - Personal AES Security Setting.

The password for the Courtrooms' Wi-Fi Network can be obtained from the Courtroom Deputy.

Connecting an iPad to the Courtroom Wi-Fi

<p>1. Find the Settings Icon on the home screen</p>	
<p>2. Select the Wi-Fi Setting from the list on the left. Look for the Wi-Fi Network you would like to connect to. For this example we are in Courtroom 5S for our hearing, so we will select the 5S Network from the list.</p>	
<p>3. Once we select the Network we wish to join, we will be asked for the password. Passwords can be obtained from the Courtroom Deputy on duty. Enter the Password and then click Join.</p>	
<p>4. A Check will appear next to the Network Name while the iPad is connected to that select Wi-Fi Network.</p>
