Clerk of Court Newsletter October 2006

To Attorneys, CM/ECF Users, and the Public:

This communication contains information about news, events, and activities at the Bankruptcy Court. While much of this information is contained on the Court's website, I convey it to you for immediate use.

- With the second half of the new Bankruptcy law becoming effective this month, the changes brought by the law require installation of a new CM/ECF program. Our Court will convert to CM/ECF Release 3.1 the weekend of Oct 14 -15, 2006. The Court will be operational on Monday Oct. 16, 2006. Accompanying this change is a new Implementation Order, which has been posted on the Court's website. We have also posted a public notice, two documents which explain the changes at different levels of detail, a red-line version of the Order, and a reader friendly explanation of R. 3.1 changes.
- Preventive maintenance scheduled for this weekend at the Thomas F. Eagleton Courthouse will mean that the Court's website is unavailable until Tuesday, October 10, 2006. For that reason, I attach a copy of the Court's public notice concerning the Implementation Order and the Summary of Changes to the Implementation Order. You will be able to access the Implementation Order, the explanatory documents, and any new forms on the Court's website beginning October 10, 2006.
