### Clerk of Court Newsletter December 10, 2019

To Attorneys, CM/ECF Users, and the Public:

This communication contains information about news, events, and activities at the Bankruptcy Court. While much of this information is contained on the Court's web site, I convey it to you for immediate use.

- **New CM/ECF Event regarding Prior Filings**  
The Court is now employing a new event titled Notice of Debtor's Prior Filings. This event pulls information from a national database to show a debtor's prior filings and displays as a separate docket entry. This information may be useful to counsel in many ways, such as when requesting an extension or imposition of the automatic stay or those filing a relief from stay motion after the debtor files a petition on the eve of a scheduled foreclosure. You will see this event on cases filed on or after 12/9/2019.
- **Updated Procedures Manual**  
The Court has updated the Procedures Manual to reflect the change to the Local Rules regarding how exhibits should be submitted on the record. The updated Procedures Manual can be found under the Rules and Procedures tab on our homepage and [here](#).
