Clerk of Court Newsletter
February 8, 2019

To Attorneys, CM/ECF Users, and the Public:

This communication contains information about news, events, and activities at the Bankruptcy Court. While much of this information is contained on the Court's web site, I convey it to you for immediate use.

- **Consent to Judgment in Adversary Cases**

We have revised this form by clarifying the attorney signature block and the certificate of service areas. This form should be used for all chapters and before all judges of the Court. An example can be found at <https://www.moeb.uscourts.gov/chapter-7-local-forms>

- **Orders on Motions to Extend or Impose the Automatic Stay**

Counsel no longer need to send proposed orders on these motions routinely. The Court may request a proposed order on a case-by-case basis.

- **Withdrawal of Objection to Claim**

We have created a new event to be used when withdrawing an objection to claim. The event pathway is Bankruptcy Events - - > Claim Actions - - > Withdrawal of Objection to Claim.
