PUBLIC NOTICE

A lapse in appropriations has resulted in a federal government shutdown. The Judiciary will continue to carry out its mission of administering justice by remaining open and available to litigants, counsel, the media, and the public.

The United States Bankruptcy Court for the Eastern District of Missouri will accept pleadings, filings, and fees in new and existing cases and proceedings and will schedule and conduct hearings without interruption. All existing deadlines will remain unchanged. Public access to the Court, whether in person, through the Court's drop box, through the Court's electronic case filing system, or through the public access to court electronic records (PACER) system, will not be affected.

Further notice will be provided in the event there is any change in this situation.
