

## List of Petition Preparation Software with CM/ECF Case Data Upload Functionality

Listed below are the vendors and contact persons who have agreed to include in their next release file modifications to allow attorneys to automatically upload case data information from their software application to CM/ECF. The list is provided as a convenience to the bar; the Bankruptcy Court makes no representation as to the usefulness or suitability of any product. It may be in your interest to verify that the listed preparation package you are considering is compatible with the CM/ECF case upload features.
