

Application For Compensation by Attorney/Trustee for other Professionals

CM/ECF records professional fee and expense requests filed by trustees, attorneys or other professionals.

In this process the user records as many applicant requests as necessary and has the option of permanently adding those parties to the case. If there is no need to have each professional applicant as an active participant on the case, the Person record will appear on the Party pick list *only for this event*.

Internet users will access CM/ECF filing, queries and reports using PACER.

This module will assume that the internet user has accessed CM/ECF using their PACER username and password.
