**Amended Schedules Do's & Don't's****Do's:**

- Provide an Amended Matrix in both PDF format and Upload (add) the New Creditors into the system.
- Remember to file a verification of matrix when amending the matrix or schedules.
- Provide an explanation of the reason for any amendment to the amended schedules or matrix. The explanation can be a memorandum or correspondence filed either as part of the PDF document for the schedules or matrix, or can be docketed as a separate memorandum or correspondence. Alternatively, the explanation can be made by simply enhancing the docket text with a brief summary of the change.

**Don't's:**

- Do not upload a duplicate matrix. Upload only those creditors newly added to the case or add through the event.
