Appeal from the United States
Bankruptcy Appellate Panel
for the Eighth Circuit.

[UNPUBLISHED]

Submitted: December 28, 2006

Filed: January 11, 2007

Before RILEY, COLLOTON, and GRUENDER, Circuit Judges.

PER CURIAM.

Chapter 13 debtor, Virginia Dale, appeals from a decision of the Bankruptcy Appellate Panel affirming the bankruptcy court's¹ judgment in favor of HomeEq² Servicing Corp. (HSC) and numerous others associated with HSC whom Dale sued in an adversary proceeding to rescind her home mortgage and obtain damages.

Upon careful review of the parties' submissions on appeal, we conclude that Dale's arguments either are not properly before us or fail to assert an adequate basis for reversal. Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable Jerry W. Venters, Chief Judge, United States Bankruptcy Court for the Western District of Missouri.

²This name appears as both "HomeEq" and "HomeQ" in the record.
